

Many thanks to all the parents who attended the parent/teacher afternoon on Monday. The teachers all enjoyed discussing the class programs with you and I was pleased to discuss school directions.

The PCYC and dance program kicked off this week. Parents, don't forget you are needed at the PCYC as part of the program. Contact me if you have any questions.

Our 10 day swim program is nearly full, but there is still a chance to enrol your child for this worthwhile program. I am very excited to announce that Mission Australia, through Communities for Children, will be subsidising the swimming program. The 10 day swim will now cost only \$20 per student! Also, each swimmer will receive a swim pack. Goggles, towel and swimmers are included. The towels and goggles will stay at school and will be laundered each week. The swimmers will stay at school until the end of the year, when they will be sent home.

Please complete the attached swim note, stating the correct swimmer size for your children.

Bullying is sometimes an issue at our school. Please talk to your children about bullying. Every child and staff member has a right to feel safe at school. If your child is worried about coming to school, please come and talk to me or to one of the class teachers. Also, if you think your child may be involved in bullying, going over the information below will be helpful. We must all work together to combat bullying at school. Over the next few weeks I will be talking with all of the children to develop a consequence chart for bullying.
