| | |
|-----------------------------|---|
| 24th June | Girls Soccer Gala Day |
| 29th June | Rugby Gala Day (15 students) 2.30pm Parent meeting |
| 30th June | NAIDOC Celebration |
| 1st July | Last Day Term 2 |
| 18th July | Staff Development Day |
| 19th July | Students return for term 3 |

A very proud teacher, Mr Mawby, returned from the Science and Engineering Challenge on Thursday with a very proud class. The 5/6 class teamed up with Taree West students to form the winning team of the day! Well done 5/6 for your excellent representation of Taree Public School!

A wonderful item from the Kurrajong class at assembly involved displaying amazing animal artwork and the reading of expositions.

On Thursday, 30th June, Taree Public School will be holding our NAIDOC event. This year we have invited other small schools to join us. Please keep the date free so you can join us. Among other things there will be student performances and an art gallery.

The Friday morning PACE parent and community group has been painting the Koori room. The painting is starting to take shape and will depict the sea and the sky.

Unfortunately, because of the wet weather, the Year 3 and 4 excursion to Sea Acres has now been cancelled.

School photos: Lisa will be taking the school photos this year. As soon as the weather is sunny, the photos will begin. Package details will be available soon.

Good behaviour is earning lots of money to spend in Geoff's shop. Unfortunately, a yellow card means losing 3 points and all points are lost if suspended from school.

Next week we begin our Positive Behaviour for Learning (PBL) lessons. The first lesson is to do with being safe in the toilets. The skills the children will be learning:

- One person in each toilet
- Flush
- Wash hands
- Keep water in sink
- Leave promptly
-

Toni Harde has worked very hard to decorate our Quicksmart maths room – it looks fantastic and is a motivating space for learning. Thanks Toni!

To access Dr Norris at Biripi Health, children MUST have a permission note. Julie Willett and Auntie Sherry organise the doctor visits and Julie administers medication and keeps the records of medicine dispensed. Thanks Julie for all your work organising this important service for our students.
