CLASS K/1 G

It has been a busy few weeks in K/1G. We have been lucky enough to have a new K/1/2 garden. Bunnings were kind enough to supply us with all of the gardening beds, fertiliser and plants. They also helped us to put it all together and plant our vegetables and herbs.

We have been watering our plants every day and have already seen them double in size. As the weather gets hotter we will start watering our plants two times a day. It will be very exciting when our vegetable and herbs are fully grown.

CLASS 1/2H

We have had a busy start to Term 4. During Writing we have been learning about recycling and different ways to save water.

We have written some great pieces of writing about Lester and Clyde as well.

In Mathematics, we have been doing lots of counting and creating number pattern pictures. The class is also busy making their end of year books to bring home to show everyone!

Bus pass applications for 2019 are open now!

Students progressing to year 3 and year 7 **do not** need to re-apply if they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2018 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued.
