PREVENTING INFECTIOUS DISEASES — TOO SICK FOR SCHOOL

Attached is a copy of "Preventing of Infectious Diseases" information pamphlet for all parents to please read and keep handy to help in identifying infectious diseases and what needs to be done before returning your child to school.

Zoo Snooze Trip

Fourth instalment due by 28th June — \$10

Final Payment due by 30th August — \$10

**Please make sure payments
have be made in full by
Friday 30th August.**

K-1 G

K/1G had a very exciting visit from Janet at Bunnings Taree a couple of weeks ago. She brought us a number of seed boxes to grow. In pairs we very carefully emptied the soil disks into a container and covered them with water. The soil was then spooned into the little pots with the seeds. Within a week we saw the seeds start to push through the dirt and grow. Our seedling are almost ready to plant.

2-3 H

2/3H have had a busy 2 weeks! We read the story, "Bernard was a Bikie" and completed lots of activities about this book. The children enjoyed making Bernard's bike and writing a description. In Mathematics, we have been learning about seasons and the months of the year.

Soccer Gala Day 2019

Digital Technology

Our school has been very lucky to receive Robotics kits from Technology for Connected Communities (T4CC) and STEM Share.

Over the next Term, each class will be introduced to a new robotic.

On Friday the 31st May each class had an opportunity to come to the hall and play with the Dash Robot. Mrs Clapson's class has been working with the Lego WeDo.

Each class were very excited and eager to learn about our new technology.

Over the next couple of weeks, classes will get the opportunity to borrow the robots and use them in their classes.

Students will be invited back to the hall to show what they have learnt and how they have been using Dash in their classroom. Parents and Carers are more than welcome to come and join in using our new robotics.

Miss Visser.
